

# Like a Knife

## Secondhand Serenade

I dream a lot, I know you say:  
"I've got to get away"  
"The world is not yours for the taking"  
Is all you ever say.  
I know I'm not the best for you  
But promise that you'll stay.  
Cause if I watch you go  
You'll see me wasting, you'll see me wasting away  
Cause today, you walked out of my life  
Cause today, your words felt like a knife  
I'm not living this life.  
Goodbyes are meant for lonely people standing in the rain  
And no matter where I go it's always  
pouring all the same.  
These streets are filled with memories  
Both perfect and in pain  
And all I wanna do is love you  
But I'm the only one to blame.  
Cause today, you walked out of my life  
Cause today, your words felt like a knife  
I'm not living this life.  
But what do I know, if you're leaving  
All you did was stop the bleeding.  
But these scars will stay forever  
These scars will stay forever  
And these words they have no meaning  
If we cannot find the feeling  
That we held on to together  
Try your hardest to remember  
Stay with me  
Or watch me bleed  
I need you just to breathe.  
Cause today, you walked out of my life  
(Stay with me, or watch me bleed)  
Cause today, your words felt like a knife  
(I need you just to breathe.)  
I'm not living this life
