

Green Belly

Ty Segall

I see (?) the green (?)
In the belly of your eyes
It gives me no surprise
He's gonna make a
movie
Of his entire life
He wants to figure how to do it right
Sure he needs that big man with the
big plan
Step right in
He fell down from the sky
And knew why we have to win
He's gonna make
a movie
Of his entire life
She will cry, she will cry "Why?"
Oh yeah
