

# When U Love Somebody

## Fruit Bats

Baby, remember on the bus and my hand was on your knee  
When you love somebody it's hard to think about anything but to breathe  
Baby, I am the cub who was washed out in the flood  
When you love somebody and bite your tongue all you get is a mouthful of bloodOkayBaby,  
remember on the bus and my hand was on your knee  
When you love somebody it's hard to think about anything but to breathe  
Baby, I am the cub who was washed out in the flood  
When you love somebody and bite your tongue all you get is a mouthful of bloodHere we  
goBaby, I am the cub who was washed out in the flood  
When you love somebody and bite your tongue all you get is a mouthful of bloodWhen you  
love somebody it's hard to think about anything but to breathe  
When you love somebody it's hard to think about anything but to breathe  
When you love somebody and bite your tongue all you get is a mouthful of blood  
When you love somebody it's hard to figure out, hard to figure out  
When you love somebody it's hard to figure out, hard to figure out  
When you love somebody it's hard to think about anything but to breathe
