

# Survival of the Sickest

## Saliva

1, 2, 3, 4 I'm the hand up mona lisa's dress,  
I'm the smile on every criminal that you ever acquit,  
i'm those things you've done you'll never admit,  
because one hand is on the bible and the others in shit! but right now,  
your face is in the crowd,  
i'm shouting out aloud,  
i'm the one you counted out of the game oh wow,  
take a good look at me now,  
should've never had a doubt,  
is that you i hear screaming my name?  
i'm a roller, i'm a rider, i'm number one motherfucking survivor,  
so move over, i'm the driver, and i'm a high and i'm a kick it in higher,  
Gear  
yeah yeah yeah! i'm the one you thought that you could erase,  
but a predator is faster than the food that he chased,  
you fell off the horse you brought to the race,  
i'll be the one who's flying by you kicking shit in your face! (CHORUS)  
but right now,  
your face is in the crowd,  
i'm shouting out aloud,  
i'm the one you counted out of the game oh wow,  
take a good look at me now,  
should've never had a doubt,  
is that you i hear screaming my name?  
i'm a roller, i'm a rider, i'm number one motherfucking survivor,  
so move over, i'm the driver, and i'm a high and i'm a kick it in higher,  
Gear  
yeah yeah yeah! (woowoo)  
yeah yeah yeah! (woowoo)  
yeah yeah yeah! (woowoo)  
come on  
wo yeah YEAH YEAH YEAH! i'm a roller baby,  
i'm a lovin rider,  
i'm a roller baby,  
i'm a rider baby, so ease down,  
and wrap your legs around me baby,  
wrap your legs around and ease down,  
and wrap your legs around me baby,  
wrap your legs around me! c'mon baby, get on ya knees,  
i'm gonna drive this little red love machine i'm a roller, i'm a rider, i'm number one  
motherfucking survivor,  
so move over, i'm the driver, and i'm a high and i'm a kick it in higher,

Gear  
yeah yeah yeah!(woowoo)  
yeah yeah yeah!(woowoo)  
yeah yeah yeah!(woowoo)  
come on  
wo yeah
