Oh-oh-wow, no, oh, oh  
It's fireHuh, as we go on, we remember  
All the times we spent together (Ooh, wow)  
As our lives change (Ooh, wow) from whatever  
We will still be (We will still) friends foreverFirst off, tell the girl in my math class, "I'm rich"  
And you broke, bitch, I had the last laugh  
And to the dumb nigga in my science lab  
How'd it feel when we fought and you caught a jab?  
Man, fuck prom, fuck the teacher that was always talkin' on the intercom  
And fuck the student that we thought was always gon' bring in a bomb  
And all of the girls wild, them bitches was too foul  
They all on my dick now (Oh, whatever)  
Huh, as we go on (As we go on) we remember (We remember)  
All the times we (All the times) spent together (Ooh, wow)  
As our lives change (Ooh, wow) from whatever  
We will still be (We will still be) friends foreverI'm information leaker, had a crush on one of  
my teachers  
Used to fantasize, makin' love with her behind the bleachers  
And to all the people who ain't like me, I ain't like me either  
Half my class was havin' kids, guess we had that jungle fever, uh  
I was waitin' for my graduation (Uhu), growin' impatient (Uhu)  
What I didn't know was this grown up world (This grown up world)  
Was just school in a blown up world (This blown up world)  
There's still gossip, there's still drama, there's still problems  
There's a right and there's a wrong  
There's still people that I think won't love me 'til I'm gone  
Lowkey miss the days walkin' 'round in my school halls  
But now I got a bigger job, the world screamin' my songs  
Huh, as we go on (As we go on) we remember (We remember)  
All the times we (All the times) spent together (We were close)  
As our lives change (As we change) from whatever (We know)  
We will still be friends forever (Atleast 'til the end)Lauren is such a bitch (I know, right?)  
I don't even understand why guys like her, she's not even cute  
She's not even pretty  
Have you seen how much make-up she wears?  
And by the way she Facetunes her pictures so much  
I honestly think she bought her followers  
She barely gets any likes any way (Mmm, she's honestly kinda sad)  
And you wanna' know the craziest part about all of it? (What?)  
She doesn't even have any idea her's boyfriend's been cheatin' on her this entire time (Huuh!)
