

# Warning Sign

## Coldplay

A warning sign  
I missed the good part then I realized  
I started looking and the bubble burst I started looking for excuses  
Come on in, I've gotta tell you what a state I'm in  
I've gotta tell you in my loudest tones That I started looking for a warning sign  
When the truth is  
I miss you  
Yeah the truth is  
That I miss you so  
A warning sign You came back to haunt me and I realized  
That you were an island and I passed you by  
And you were an island to discover Come on in, I've gotta tell you what a state I'm in  
I've gotta tell you in my loudest tones  
That I started looking for a warning sign  
When the truth is  
I miss you  
Yeah the truth is  
That I miss you so  
And I'm tired  
I should not have let you go  
So I crawl back into your open arms  
Yes I crawl back into your open arms  
And I crawl back into your open arms  
Yes I crawl back into your open arms
