

I Can't See Nobody

[Nina Simone](#)

(1967) Robin Gibb, Barry Gibb I walk the lonely streets; I watch the people passing by.

I used to smile and say hello. Guess I was just a happy guy.

Then you happened, girl, this feeling that possesses me.

I just can't move myself. I guess it all just had to be. (Chorus)

I can't see nobody... no, I can't see nobody.

Mine eyes can only look at you... you. I used to have a brain; I used to think of many things.

I watched the falling rain and listened to the sweet birds sing.

Don't ask me why, little girl. I love you and that's all I can say.

You're ev'ry, ev'ry breath I take. You are my nights; my night and day.

(chorus...)

Every single word you hear... is coming from this heart of mine.

I never felt like this before... a love like yours so young and fine.

And now as I try to forget you... it doesn't work out any way.

I loved you such a long time ago... but in my eyes you'll always be.

Every single word you hear... is coming from this heart of mine.

I loved you such a long time ago... don't know why...

And I don't know why... baby... (chorus...)

(chorus...)
