

Far from Home (feat. Gavrielle)

Gareth Emery

Am I out of my
Mind
Am I keepin in
Time
Cuz I can't keep on talkin' to myself like this
Like this
Now I realize that it's your voice I miss
I miss When you can't run fast
I'll walk with you
When you can't stand up
I'll carry you, too
Even in the darkest hour
You'll never be alone
Even when you're Far, Far, Far
From Home
And Im screaming No
Sound
Between lost and
Found
And the only face I see
Is from my darkest dream
Dark dream
If I make it home,
This time I'll never leave
Won't leave
When you can't run fast
I'll walk with you
When you can't stand up
I'll carry you, too
Even in the darkest hour
You'll never be alone
Even when you're Far, Far, Far
From Home
