

Computer Blue

Prince & The Revolution

Wendy?
Yes Lisa
Is the water warm enough?
Yes Lisa
Shall we begin?
Yes Lisa Where is my love life?
Where can it be?
There must be something wrong with the machinery Where is my love life?
Tell me, tell me
Where has it gone?
Somebody please please tell me what the hell is wrong
Until I find the righteous 1
Computer blue
Until I find the righteous 1
Computer blue
