

Somebody Loves You

Betty Who

Who's around when the days feel long
Who's around when you can't be strong
Who's around when you're losing your mind
Who cares that you get home safe
Who knows you can't be replaced
Who thinks that you're one of a kind
Somebody misses you when you're away
They wanna wake up with you everyday
Somebody wants to hear you say
Ooh somebody loves you
Ooh somebody loves you
Ooh somebody loves you
Ooh somebody loves you
Ooh somebody loves you
I'm around when your head is heavy
I'm around when your hands aren't steady
I'm around when your day's gone all wrong
I care that you feel at home
Cause I know that you feel alone
I think you're going to miss me when I'm gone
Somebody misses you when you're away
They wanna wake up with you everyday
Somebody wants to hear you say
Ooh somebody loves you
Ooh somebody loves you
Ooh somebody loves you
Ooh somebody loves you
Ooh somebody loves you
Why don't you come on over
Why don't you lay me down
Does the pain feel better
When I'm around
If I am good to you
Won't you be good to me
That's how easy this should be
Somebody misses you when you're away (Somebody misses you
baby)
They wanna wake up with you everyday (They wanna wake up with you)
Somebody wants to hear you say (Oh they want you to say)
Ooh somebody loves you
Ooh somebody loves you
Ooh somebody loves you
Ooh somebody loves you
Ooh somebody loves you
