

Pillow Fight

Galantis

When pillow talks turn to pillow fights
Remember before you say goodnight
To make up before you go to sleep
The pillow fights turn to pillow dreams I'll go to sleep
I'll go to sleep tomorrow
I'll go to sleep
I'll go to sleep tomorrow
I'll go to sleep tomorrow
I'll go to sleep tomorrow
(I'll go to sleep) When pillow talks turn to pillow fights
Remember before you say goodnight
To make up before you go to sleep
The pillow fights turn to pillow dreams
I'll go to sleep
I'll go to sleep tomorrow
I'll go to sleep
I'll go to sleep tomorrow
(I'll go to sleep tomorrow)
I'll go to sleep tomorrow (I'll go to sleep)
