

Hot Boy (feat. Dre)

Christina Milian

(feat. Dre)(Chorus:)

What they do?

You's a motha*** hot boy,

I can be your hot girl,

Lemme set your body on fire,

What they do?

You's a motha*** hot boy,

I can be your hot girl,

Lemme set your body on fire, fire

(Verse 1:)

I can cook a steak up,

While you hook up a stake out,

And I'll sit in the passenger side,

And let's ride,

And I can fix my make up,

While you sleep on ya Jacob,

Now that's just what I call perfect timing,

Yes I'm,

I'm ho-ho ho-ho hot girl,

I'm in need of a ho-ho ho-ho hot boy,

Got a spot locked down it's absurd,

You and me get together the block would just burn,

So,

Set my body on fire why don't you just,

Get with me I'm on fire,

I'll burn you up,

So hot,

You makin' me feel so hot

To the third degree,(Chorus:)

What they do?

You's a motha*** hot boy,

I can be your hot girl,

Lemme set your body on fire,

What they do?

You's a motha*** hot boy,

I can be your hot girl,

Lemme set your body on fire, fire Fire I'm burnin' up cuz, What they do?

You's a mutha*** hot boy, Fire you get me hot cuz, What they do?

You's a motha*** hot boy,

Hot boy,(Verse 2:)

While you gettin' froze up,

I'll go hook my clothes up,

Know you like what you seeing,
Fit the jeans you put me in,
Thugged out that's how I like it,
You stay g'd up,
I'ma always be down,
You can put ya feet up,
I'ma hot hot girl,
I need a,
Hot hot boy like you,
Tell me what we gon' do,
Don't you see how you get me now,
I'm catchin' a fever,
Boy just pull ya sleeves up,
And gimme what I need now, Set my body on fire why don't you just,
Get with me I'm on fire,
I'll burn you up,
So hot,
You makin' me feel so hot to the third degree, (Chorus x1) Christina you's a motha*** hot girl,
I can be your hot boy,
Lemme set your body on fire,
Christina you's a motha*** hot girl,
I can be your hot boy,
Lemme set your body on fire, What they do?,
You's a mutha*** hot boy, hot boy (Repeat)
