

Loving You Is Killing Me

Aloe Blacc

Loving you, is killing me
When you know it should be thrilling me Loving you, is choking me slowly
When I'm with you i still feel real lowly Loving you, is busting me
You don't ever put your trust in me Loving you, should mean that I'm your king
You don't make me feel like anything Now i never knew you'd be so evil
How did you get to be so evil yeah Now you telling me, that I'm bad to you
You don't know what your talking 'bout girl Hear me when i say
You can't just do whatever you want, girl
Loving you, is killing me
When you know it should fulfill me Loving you, is aching me sadly
You know that it should make me happy Loving you, ain't worth all the suff'ring
In return you never give me nothing Here's the news about loving you
Well it's something that i used to do Stop children, whats that sound
Looking my heart all over the ground Stop children, what' you see
Why you keep shootin' at me I never knew you'd be so evil
How did you get to be so evil yeah Now you telling me, that I'm bad to you
You don't know what your talking 'bout girl
Hear me when i say
You can't just do whatever you want, girl Loving you
Is killing me
Is killing me Loving you
Is killing me
Is killing me yeah Loving you, is killing me
When you know it should be building me Loving you, is holding me back
Why the hell you make me feel like that Loving you, ain't worth all the suff'ring
In return you never give me nothing Here's the news about loving you
Well it's something that i used to do I never knew you'd be so evil
How did you get to be so evil yeah Now you telling me, that I'm bad to you
You don't know what your talking 'bout girl Hear me when i say
You can't just do whatever you want, girl
