

Little Bitty

Alan Jackson

Have a little love on a little honeymoon
You got a little dish and you got a little spoon
A little bitty house and a little bitty yard
A little bitty dog and a little bitty car. Well, it's alright to be little bitty
A little hometown or a big old city
Might as well share, might as well smile
Life goes on for a little bitty while....
A little bitty baby in a little bitty gown
It'll grow up in a little bitty town
A big yellow bus and little bitty books
It all started with a little bitty look.
Well, it's alright to be little bitty
A little hometown or a big old city
Might as well share, might as well smile Life goes on for a little bitty while. (Yeeeeeaaahhhh)

...

You know you got a job and a little bitty check
A six pack of beer and television set Little bitty world goes around and around
Little bit of silence and a little bit of sound.

...

A good ole boy and a pretty little girl Start all over in a little bitty world
Little bitty plan and a little bitty dream
It's all part of a little bitty scheme.
It's alright to be little bitty
A little hometown or a big old city
Might as well share, might as well smile
Life goes on for a little bitty while.
It's alright to be little bitty
A little hometown or a big old city
Might as well share, might as well smile
Life goes on for a little bitty while.

...
