

# Through the Fire and Flames

## DragonForce

On a warm summers morning, in a time after the dark  
In sea of life eternal reign we ride towards the peace  
When the lightness has fallen down and the times are tough all right  
The sound of evil laughter falls around the world tonight Fighting hard, fighting on for the steel,  
through the wastelands evermore  
The scattered souls will feel the hell, bodies wasted on the shores  
On the blackest plains in hell's domain we watch them as we go  
In fire and pain and once again we know So now we fly ever free  
We're free before the thunderstorm  
On towards the wilderness our quest carries on  
Far beyond the sundown, far beyond the moonlight  
Deep inside our hearts and all our souls  
So far away we wait for the day  
For the lives all so wasted and gone  
We feel the pain of a lifetime lost in a thousand days  
Through the fire and the flames we carry on As the red day is dawning  
And the lightning cracks the sky  
They'll raise their hands to the heavens above  
With resentment to their eyes  
Running back from the mid-morning light  
There's a burning in my heart  
We're banished from a time in a fallen land  
To a life beyond the stars In your darkest dreams see to believe  
Our destiny is time  
And endlessly we'll all be free tonight  
And on the wings of a dream, so far beyond reality  
All alone in desperation, now the time has gone  
Lost inside you'll never find, lost within my own mind  
Day after day this misery must go on So far away we wait for the day  
For the lives all so wasted and gone  
We feel the pain of a lifetime lost in a thousand days  
Through the fire and the flames we carry on Whoa-oa-oa  
Whoa-oa-oa  
Whoa-oa-oa-oa Whoa-oa-oa  
Whoa-oa-oa  
Whoa-oa-oa-oa Now here we stand with their blood on our hands  
We fought so hard now can we understand  
I'll break the seal of this curse if I possibly can  
For freedom of every man So far away we wait for the day  
For the lives all so wasted and gone  
We feel the pain of a lifetime lost in a thousand days

Through the fire and the flames we carry on
