

Rock Star

Hole

When I went to school in Olympia
Everyones the same
What do you do with a revolution?
When i went to school in Olympia
And everyones the same
We look the same
We talk the sameWellDon't you please
Make me real
Fuck you
Make me sick
Fuck you
Make me real
Fuck you
When i went to school in olympia
Everyones the same
And so are you
In olympia
Everyone is the same
We look the same
We talk the same
We even fuck the same
When i went to school in olympiaDon't you please make me real,
Come on
Make me sick
Come on
Make me real
Yeah yeah yeah
Do it for the kids yeah
Do it for the kids yeah
Do it for the kids
Do it for the kidsDo it do it do it
Do it for the kids(no we re not done yet)When I went to school in olympia
Bastards
BastardsBye bye
Good bye
Good bye
