

# Nasty Grind

Adina Howard

Boy u come, just in time  
Im feelin like, like I wanna ride  
I still have some positions, that I still aint done, let me have my fun  
wipped creme strawberries, down your back, add cherries, aint nobody got to know my name,  
assume the position Adina's on a mission  
And it starts as...(One)come over  
(Two)turn over  
(Three)remeber

My nasty grind (yeah yeah yeah yeah yeah)  
Nobody's gonna do u like me  
Now meet me in the shower, in about a hour  
Wash my back and I'll wash yours  
Take you to the bedroom, I'm in a sexy mood  
You do me and watch as I do you  
Two bodies vibrating, your man hood is escalating  
Tongues touch, bodies trace, turn over
