

# Unchain the Night

## Dokken

I've been lost in the middle  
Always trying to find the wishing well  
Running around in circles  
Never crossing the line Don't want to touch you  
Don't want to see  
You've got a knife in your heart  
Don't say that you did it for me Never unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
Cause there's always another turn  
You know right where you want it  
But you never gave it in return  
Running me in circles  
Always crossing the line Don't want to touch you  
Leave you confused  
You took the easy way out  
When you looked through the eyes of a fool Never unchain the night  
Don't tell me that the love is strong  
Never unchain the night  
Cause there's always another turn Never, never  
Never, never  
Never unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
I'm never gonna set you free  
Never unchain the night  
Don't tell me that the love is gone  
Never unchain the night  
Cause there's always another turn  
Never unchain the night
