

# Fairytale (Let Me Live My Life This Way)

[Rebecca Ferguson](#)

Okay, so I call about a thousand times  
I wait outside and I join the line  
With a million girls that are just like me, ooh I got your name saved on my screen  
It says how much that you love me  
And I know that it's not a dream Oh, yeah It's like I keep on giving with nothing in return  
Just a constant burning, I'll never learn  
So let me just fairytale that we are in love  
I'd rather live a life this way, oh, yeah  
It's my life anyway I close my eyes and you kiss me  
You say how much that you miss me  
And no one compares to what we've got  
Then I wake up and it's just a dream  
Somehow I wish it was reality  
Trying to deal with the fact it's not Oh, yeah It's like I keep on giving with nothing in return  
Just a constant burning, I'll never learn  
So let me just fairytale that we are in love  
I'd rather live a life this way, oh, yeah  
It's my life anyway And I ain't ever gonna learn 'cause  
I ain't ever gonna learn cause I keep on giving with nothing in return  
Just a constant burning, I'll never learn  
So let me just fairytale that we are in love  
I'd rather live a life this way  
It's like I keep on giving with nothing in return  
Just a constant burning, I'll never learn  
So let me just fairytale that we are in love  
I'd rather live a life this way, oh, yeah  
It's my life anyway
