

# True Lies

Alex Cameron

Well it's hard being a liar  
I don't know who's supposed to be on my mind  
'Cause I love my little darling  
But I also love these women online When I feel it really coming on strong  
Yeah, I know I really shouldn't log on  
Ooh ooh, ooh ooh But there's this woman on the Internet  
She sends me pictures of her beautiful eyes  
And I never get the sense to tell my girl the truth  
I got the sense to tell some beautiful lies  
Gonna love her with these beautiful eyes Well what's the difference, darling  
Between my eyelids and a glowing white screen  
When either way I'm thinking  
Of the hottest barely legal age teens? When I feel it really coming on strong  
Yeah, I know I really shouldn't log on  
Ooh ooh, ooh ooh Yeah, there's this woman on the Internet  
She sends me pictures of her beautiful eyes  
And I ain't telling no one about the money I've sent  
I don't care if they're just beautiful lies Yeah, there's this woman on the Internet  
Even if she's some Nigerian guy  
Yeah, well you should read the poetry he speaks to me  
I don't care if they're just beautiful lies Gonna love him with these beautiful lies  
Beautiful, beautiful lies  
Beautiful, beautiful  
Beautiful Nigerian guy  
Beautiful, beautiful  
Beautiful, beautiful lies  
Beautiful, beautiful  
Beautiful Nigerian guy  
Beautiful, beautiful  
Beautiful, beautiful lies  
Beautiful, beautiful  
Beautiful Nigerian guy  
Beautiful
