

Life Is a Flower

Ace of Base

We live in a free world, I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, so precious in your hand
Carry on smiling and the world will smile with you

When every race is run
And the day is closing in
I don't care about the world
I'm living for the light
Don't cry for me today

We live in a free world, I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, so precious in your hand
Carry on smiling and the world will smile with you
I can not be your judge

Mr. Jailer is your host, he's keeping you inside
And hides you from the world

No catcher in the rye can help you from yourself
We live in a free world, I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, so precious in your hand

Carry on smiling and the world will smile with you
Please Mr. Agony, release them for a while
Learn them the consequences of living without life

We live in a free world, I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, so precious in your hand
Carry on smiling and the world will smile with you

We live in a free world
(It's a free world yeah)
Life is a flower ahh ahh ohh

I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, oh, so precious in your hand
Carry on smiling and the world will smile with you

We live in a free world
Carry on smiling and the world will smile with you
Life is a flower

Carry on smiling and the world will smile with you
We live in a free world
Carry on smiling and the world will smile with you
Life is a flower

Carry on smiling
