

# Ever Fallen in Love

## Nouvelle Vague

You spurn my natural emotions  
You make me feel like dirt  
And I'm hurt  
And if I start a commotion  
I run the risk of losing you  
And that's worse  
Ever fallen in love with someone  
Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love with  
I can't see much of a future  
Unless we find out what's to blame  
What a shame (oh what a shame)  
And we can't be together  
Until we realize that we are the same  
Ever fallen in love with someone  
Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love with  
Ever fallen in love with someone  
Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love with  
Ever fallen in love with someone  
Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love with  
Ever fallen in love with someone  
Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love with  
You disturb my natural emotions  
You make me feel like dirt  
And I'm hurt  
And if I start a commotion  
I'll only end up losing you  
And that's worse  
Ever fallen in love with someone

Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love with  
Ever fallen in love with someone  
Ever fallen in love  
In love with someone  
Ever fallen in love  
In love with someone  
You shouldn't've fallen in love with  
La la la la la la...
