

# Halo

## Depeche Mode

You wear guilt like shackles on your feet  
Like a halo in reverse  
I can feel the discomfort in your seat  
And in your head it's worse There's a pain, a famine in your heart  
An aching to be free  
Can't you see all love's luxuries  
Are here for you and me? And when our worlds they fall apart  
When the walls come tumbling in  
Though we may deserve it  
It will be worth it  
Bring your chains, your lips of tragedy  
And fall into my arms And when our worlds they fall apart  
When the walls come tumbling in  
Though we may deserve it  
It will be worth it And when our worlds they fall apart  
When the walls come tumbling in  
Though we may deserve it  
It will be worth it  
And when our worlds they fall apart  
When the walls come tumbling in  
Though we may deserve it  
It will be worth it
