

Come Back Home (Myd Remix)

Two Door Cinema Club

Another saturday
Another careless move
Tells the world
That you're thinking of what to do
A window opens up
And some one calls your name
But I can tell
You don't know how to play this game I know this isn't it (Oooh)
You'll hit your target someday (Oooh)
So now your on your own
Won't you come back home
To see you're not that kind
And find the strength
To find the strength
To find another way
To find another way
To find another way
To find another way So tell me what you need
And I'll accommodate
But if too long goes by
You just might be too late
An opportunity
You can't afford to waste
So have the lines in your head first
For heaven's sake
You hear the day beckoning (Oooh)
Know that it's all in your head (Oooh) So now your on your own
Won't you come back home
To see you're not that kind
And find the strength
To find the strength
To find another way
...So now your on your own
Won't you come back home
To see you're not that kind
And find the strength
To find the strength
So now your on your own
Won't you come back home
To see you're not that kind
And find the strength
To find the strength

To find another way
