

Christmastime

[Michael W. Smith](#)

Ring Christmas bells
Ring them loud with the message bringing
Peace on the earth tidings of good cheer
Come carolers come and join with the angels singing
Joy to the world Christmastime is here again Children gather around and listen
And you'll hear the sound
Of angels filling the sky
Telling everyone Christmastime is here Ring Christmas bells
Ring them loud with the message bringing
Peace on the earth tidings of good cheer
Come carolers come and join with the angels singing
Joy to the world Christmas time is here again
Loved ones close to our hearts
And strangers in lands a far
Together share in the joy, Emmanuel
To tell the world He has come to dwell
The time is near
With one voice, let the world rejoice Christmastime is here Ring Christmas bells
Ring them loud with the message bringing
Peace on the earth tidings of good cheer
Come carolers come and join with the angels singing
Joy to the world Christmastime is here again
Children gather around and listen
You'll hear the sound
Of angels filling the sky
It's Christmastime is here again
