

# The Ubiquitous Mr. Lovegrove (Remastered)

## Dead Can Dance

i thought that you knew it all  
well you've seen it ten times before  
i thought that you had it down  
with both your feet on the ground  
i love slow slow but deep  
feigned affections wash over medream on my dear  
and renounce temporal obligations  
dream on my dear  
it's a sleep from which you may not awaken  
you build me up then you knock me down  
you play the fool while i play the clown  
we keep time to the beat of an old slave drum  
you raise my hopes then you raise the odds  
you tell me that i dream too much  
now i'm serving time in disillusionment i don't believe you any more i don't believe you  
i don't believe you any more i don't believe you i thought that i knew it all  
i'd seen all the signs before  
i thought that you were the one  
in darkness my heart was won you build me up then you knock me down  
you play the fool while i play the clown  
we keep time to the beat of an old slave drum  
you raise my hopes then you raise the odds  
you tell me that i dream too much  
now i'm serving time in a domestic graveyard  
never let it be said i was untrue  
i never found a home inside of you  
never let it be said i was untrue  
i gave you all my time i gave you all my time
