

Wedding Music

The Cathedrals

Is that wedding music i hear
the brides addurned and ready
to appear
there's heavenly preperation
for the wedding celebration
is that wedding music that I hearThe family is preparing
for a wedding
all of them invited
to attend
the bride is standing ready
waiting for the signal
when the groom says
christ my children come on in
Is that wedding music I hear
the brides addurned and ready
to appear
there's heavenly preperation
for the wedding celebration
is that wedding music that I hearSoon well rise to leave
this land of sorrow
for that ceremony in the air
the father then will lead us
through the holy land of splendor
have you made you preperation to go thereIs that wedding music I hear
the brides addurned and ready
to appear
there's heavenly preperation
for the wedding celebration
is that wedding music that I hear
There's heavenly preperation
for the wedding celebration
is that wedding music
oh is that wedding music I hear
