

# Pass Me By

## R5

Remember that trip we took in Mexico, yeah  
Hanging with the boys and all your señoritas  
I never spoke up, yeah, I never said hello  
But I keep on trying to find a way to meet ya  
Yeah I was chillin, you were with him  
hooked up by the fire  
Now he's long gone, I'm like "so long" Now I got my chance, now I, now I got my chance  
Like damn, you could be the one that could mess me up  
You could be the one that'll break me down  
All them other girls said they had enough  
You could be the one that'll take me  
I was solo, livin' yolo  
'Till you blew my mind  
Like damn, you could be the one that could mess me up  
I can't let you, can't let you pass me by!  
Oh oh, oh oh, oh oh  
I can't let you pass me by! Oh oh, oh oh, oh oh  
I can't let you pass me by!  
I was tryna play too cool to get caught up  
Like, too fun, too young, to fall to pieces  
I know a girl like you can't ever get enough  
So I'm addicted, trippin, tryna get you to see this  
The way I need you, like I'm see-through  
Dancin' out my pants  
Got you shook, caught you lookin'  
Now I got my chance, now I, now I got my chance!  
Like damn, you could be the one that could mess me up  
You could be the one that'll break me down  
All them other girls said they had enough  
You could be the one that'll take me  
I was solo, living yolo  
'Till you blew my mind  
Like damn, you could be the one that could mess me up  
I can't let you, can't let you pass me by!  
Oh oh, oh oh, oh oh  
I can't let you pass me by!  
Oh oh, oh oh, oh oh  
I can't let you pass me by!  
It's like everywhere I'm lookin', everywhere I go  
A million other guys keep staring and I know that  
I could be yours, and you could be mine  
I just can't let you pass me by, by, by

Everywhere I'm lookin, everywhere I go  
A million other guys keep staring and I know that  
I could be yours, and you could be mine  
I just can't let you pass me by, by, by  
Like damn, you could be the one that could mess me up  
You could be the one that'll break me down  
All them other girls said they had enough  
You could be the one that'll take me  
I was solo, living yolo  
'Till you blew my mind  
Like damn, you could be the one that could mess me up  
I can't let you, can't let you pass me by!  
Oh oh, oh oh, oh oh  
I can't let you pass me by!  
Oh oh, oh oh, oh oh  
I can't let you pass me by!  
Oh oh, oh oh, oh oh (yeah girl)  
I can't let you pass me by!  
Oh oh, oh oh, oh oh  
I can't let you pass me by!
