

# Baby Jump

## Mungo Jerry

She wears those micromini dresses  
Hair hanging down her back  
She wears those seethrough sweaters  
She likes to wear her stockings black  
And if I see her tonight  
You can bet your life I'll attack  
She got beautiful teeth  
A toothpaste adman's dream  
She got a beautiful form  
The best I've ever seen  
I'm gonna get her tonight  
I don't care where she been  
Well I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby jump into my dream"  
I dream that she was Lady Chatterley'n  
I was the game keeper  
I dream that I was Da Vinci  
And she was the Monalisa  
I dream that I was Humbert  
And she was Lolita  
Well I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby jump into my dream"  
She wears those micromini dresses  
Hair hanging down her back  
She wears those seethrough sweaters  
She likes to wear her stockings black  
And if I see her tonight  
You can bet your life I'll attack  
She got beautiful teeth  
A toothpaste adman's dream  
She got a beautiful form  
The best I've ever seen  
I'm gonna get her tonight  
I don't care where she been  
Well I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby jump into my dream"
