

Dukey Love (feat. Trick Daddy & Fabo of D4L)

Pitbull

Drop that beat, it's the truth
You don't know what you have until you lose it I've had all the women you could possibly
imagine in my life
I've had all the cars, all the cribs, all the money in my life
I've had my ups, my downs, I paid my dues
Learn my stride, love for the passion [unverified] All I know is the hustle and grind
All you want is some quality time
I can't give it to you due to the life that I choose
My heart is so close to the point my blood had froze I might wear diamonds if they really could
freeze time
But then again time is money and I need mine
There I go again being selfish
And there you go again the love and helpless
You mean the world to me, baby, you know it's the truth
But I don't know who I love more you or the booth
These are just the things I need to get off my chest
Sometimes I feel like all I can give you is sex, I'm sorry I've had all the women you could
possibly imagine in my life
I've had all the cars, all the cribs, all the money in my life
I've had my ups, my downs, I paid my dues
Learned my stripes, love [unverified] I ain't gone lie, baby, this life is addicting
The fame, the money, especially these bitches
I've been around it all, I've seen them ball
Seen them fall, go broke and lose it all That's why I work hard, 365
24-7, baby, that's my life
I bleed, I feed, I sleep, I shit this
I got a bad stomach with these haters on my shit list
I know it's hard to understand
But it's outta my hands
This is God's plan, I came, I saw, I conquered
I apologize but this game is a monster I've had all the women you could possibly imagine in my
life
I've had all the cars, all the cribs, all the money in my life
I've had my ups, my downs, I paid my dues
Learned my stripes, love [unverified]
