

# Sleepover (NOW What's Next!)

Kaya Stewart

Saying you say you wanna stay the night  
Its not my fault I'm looking pretty good in these rip tights  
Remember when we said that we were friends  
I'm pretty sure how my night is gonna end  
'Cause I've been round the thing once before, maybe a million times  
Don't want you to pretend you fool me now You say you wanna sleepover my place,  
You wanna sleepover,  
Know what you need now, sleepover, Bad boy, bad b-bad boy  
You say you wanna sleep over my place,  
You wanna sleepover,  
Know what you need now, sleepover,  
Bad boy, bad b-bad boy  
I'm not saying time is passing by  
But you should go before I ask you tell another lie  
I know you'll come, wanna play your games again  
I feel my lost, but I know you can hop right over them  
'Cause I've been round the thing once before, maybe a million times  
Don't want you to pretend you fool me now You say you wanna sleepover my place,  
You wanna sleepover,  
Know what you need now, sleepover,  
Bad boy, bad b-bad boy  
You say you wanna sleepover over my place,  
You wanna sleepover,  
Know what you need now, sleepover,  
Bad boy, bad b-bad boy  
(La la la la  
Uh oh oh oh  
Hey hey hey  
La la la la  
Uh oh oh oh  
Hey hey hey  
La la la la  
Uh oh oh oh  
Hey hey hey  
La la la la  
Uh oh oh oh  
Hey hey hey) You say you wanna sleepover my place,  
You wanna sleepover,  
Know what you need now, sleepover,  
Bad boy, bad b-bad boy  
You say you wanna sleepover my place,  
You wanna sleepover,

Know what you need now, sleepover,  
Bad boy, bad b-bad boy
