

# A Wish for Something More

Amy Macdonald

Oh the sun is shining far too bright  
For it to still be night  
Oh the air feels so cold  
So cold and old  
How can it be light  
Oh let's take a walk outside  
See the world through each other's eyes  
I wish I was your only one  
I think you're beautiful but your hair is a mess  
And your shoes are untied, but that's what I love best  
And I, I wish I was the one  
You lonely, lonely son  
And you looked at me that way  
I wish for long lingering glances  
Fairytale romances every single day  
And you look at me and say  
I'm your best friend every day  
But I wish for something, wish for something more  
Oh, I love you like a friend but let's not pretend  
How I wish for something, wish for something more  
Oh the grass is so green  
But I can't see anything, past your eyes  
I'm fixated on your smile  
Your cherry lips make life worthwhile  
I'm thinking these things  
What I'm trying to say is  
Life gets in my way  
Every single day  
And I, I wish I was the one  
You lonely, lonely son  
And you looked at me that way  
I wish for long lingering glances  
Fairytale romances every single day  
And you look at me and say  
I'm your best friend every day  
But I wish for something, wish for something more  
Oh, I love you like a friend but let's not pretend  
How I wish for something, wish for something more  
Now the sun is fading and the rain is  
coming down  
And I'm looking at your face but you're looking at the ground  
I see diamonds in your dreams I see pearls around your neck  
I see everything that's beautiful, everything that's beautiful  
I wish I was the one  
You lonely, lonely son

And you looked at me that way  
I wish for long lingering glances  
Fairytale romances every single day  
And you look at me and say  
I'm your best friend every day  
But I wish for something, wish for something more  
Oh, I love you like a friend but let's not pretend  
How I wish for something, wish for something more
