

Halo

Abigail Washburn

Dark is the night
Gray is the day
It's cold outside
but his halo lights my way
He says to me
I wanna light you up
I wanna light you up
in the dark and the day
My halo's bright
Follow the way
It's hard to see
It's hard to say
I'm without knowing
but his halo lights my way
The water is wide
This side I can't stay
I don't know where I'm going
but his halo lights my way
