

# Mos Focused

## Nelly

Oh bitch you know that I'm a freak, I'm a scorio  
Told her I can split it then make it like a oreo  
Yea I put it down down down, let that Shawty low  
She ain't gonna ever get a nigga on that morning show I got her like oh oh oh my Lawd  
She takin off my draws  
She takin off my shirt  
Now it's time to go to work  
Boy I hit it til she squirt  
She want that ooey but yea  
She leanin back in that chair  
While I'm grippin onto her hair  
While she tell me keep it right there  
I'm like Shawty if you give it I'mma take it  
And if you want love we gotta make it  
(Pre-)

I'm focused to the max, now she only here for me  
If she ain't on her A game I'mma let her be  
And all she do is talk about it so I let her see  
Yea lil mama love that deep, now she yelling man OPShe's the most mos focused  
She like oh my Lawd  
Oh my Lawd  
She like oh my Lawd  
Oh oh oh my Lawd  
She like oh my Lawd  
Oh oh oh my Lawd  
She like oh my Lawd

Baby why you go so hard? Yea I know that she a freak, she's a scorio

She want that ooey but yea  
She leanin back in that chair  
While I'm grippin onto her hair  
While she tell me keep it right there  
I'm like Shawty if you give it I'mma take it  
Now let's go get naked(Pre-)
