

Dominator

Armin van Buuren & Human Resource

I'm Bigger, and Bolder, and Rougher and Tougher, in other words Sucker, there is no other.
I'm Bigger, and Bolder, and Rougher and Tougher, in other words Sucker, there is no other.
I'm Bigger, and Bolder, and Rougher and Tougher, in other words Sucker, there is no other.

I'm the one and only Dominator,

I'm the one and only Dominator, I'm Bigger, and Bolder, and Rougher and Tougher, in other words Sucker, there is no other.

I'm the one and only Dominator,

I'm the one and only Dominator, I'm the one and only Dominator,

I'm the one and only Dominator,

I'm Bigger, and Bolder, and Rougher and Tougher, in other words Sucker, there is no other.

I'm the one and only Dominator,

I'm the one and only Dominator, I'm Bigger, and Bolder, and Rougher and Tougher, in other words Sucker, there is no other.

I'm the one and only Dominator,

I'm the one and only Dominator,

I'm the one and only Dominator,

I'm the one and only Dominator,

I'm the one and only Dominator,

I'm the one and only Dominator,
