

# LOVE U

## MONSTA X

????? (Monsta X) - Love U Lyrics

Simmer down  
I know I know what you been on about  
What can we do with all your friends around  
Yeah I want to  
I want to But the way yeah  
The kind of way that I'm lovin' it  
I know I know you wanna hear me say  
That I  
I want you  
I want you You make me crazy it's not just the wine  
Go on and take me right across the line  
Looking at you I got one thing on my mind  
I really really wanna love you  
But I can't say the word I want to  
'Cause they won't play it on the radio  
But I know you know  
What I mean what I mean  
When I say that I really wanna  
Love you  
But I can't say the word I want to  
'Cause they won't play it on the radio  
But I know you know  
What I mean what I mean  
When I say that I really wanna Take you there  
The way you look right now is so unfair  
Just grab my hand and lead me up the stairs  
Because I want you  
I want you  
You make me crazy it's not just the wine  
Go on and take me right across the line  
Looking at you I got one thing on my mind I really really wanna love you  
But I can't say the word I want to  
'Cause they won't play it on the radio  
But I know you know  
What I mean what I mean  
When I say that I really wanna  
Love you  
But I can't say the word I want to  
'Cause they won't play it on the radio  
But I know you know  
What I mean what I mean  
When I say that I really wanna You already know

You already know  
You already know  
You already know  
You already know  
You already know I really really wanna love you  
But I can't say the word I want to  
'Cause they won't play it on the radio  
But I know you know  
What I mean what I mean  
When I say that I really wanna  
Love you  
But I can't say the word I want to  
'Cause they won't play it on the radio  
But I know you know  
What I mean what I mean  
When I say that I really wanna You already know  
You already know  
You already know  
'Cause they won't play it on the radio  
But I know you know  
What I mean what I mean  
When I say that I really wanna
