

# Shine On (feat. Jeffrey Osborne)

L.T.D.

Just yesterday  
I cast my eyes upon your lovely face, but that was yesterday  
Now just a dream, a dream that lives inside my memory  
Wish it could be reality Shine on yesterday, carry me away and let me be back  
In your arms holding you again  
Shine on yesterday, carry me away to be with you  
Somehow let my dream come true You know sometimes  
I stop and stare no matter where I am, thinking of you again  
Once in a while I call your name out loud hoping you'll hear  
Hoping my prayer will bring you here  
Shine on yesterday, carry me away and let me be back  
In your arms holding you again  
Shine on yesterday, carry me away to be with you  
Somehow let my dream come true Shine on yesterday, carry me away and let me be back  
In your arms holding you again  
Shine on yesterday, carry me away and let me be back  
In your arms holding you again  
Shine on yesterday, carry me away and let me be back  
In your arms holding you again  
Shine on yesterday, carry me away to be with you  
Because this is for me, my one and only dream  
I ever wanted to come true
