

# Miss You

## Alabama Shakes

I'm gonna miss you  
and your mickey mouse tattoo  
and you were living in your Honda Accord.  
well is it true?  
all those bad things you do  
Well are they sure,  
are they sure it was really you?  
you can tell me  
you know you can still tell me everything.  
Tell me! I bet you didn't do nothing wrong.  
Tell me! What's been going on?  
Maybe the stars alinged,  
or maybe i just changed my mind?  
Maybe I'm yours  
I'm yours  
I'm yours  
I'm yours  
Yessir!  
Well i do not love you  
because I'm bored  
No, I like what youre saying  
them things I still show by myself, baby it wasn't right  
now ya got me thinking,  
yeah, thinking again  
I'm thinking for the last time  
yeah the last time  
now I know you don't really wanna leave me  
Maybe the stars aligned  
or maybe I just changed my mind  
Maybe I'm yours  
I'm yours  
I'm yours  
Yeah  
Yeah  
Way hey  
I'm gonna miss you  
Just wait and see  
I cannot chase you  
I can't make you stay  
ooh ooh ooh ooh  
come on  
you really didn't do nothing wrong?

then come on  
come on  
Come on  
maybe the stars aligned  
or maybe I just changed my mind  
Maybe I'm yours  
Yessir
