

# Can't Wait

Jill Scott

I got something on my back  
that I need to get off, baby.  
The world's been nuts  
Just the other day I had to reprimand a grown-up  
Who am I to act this way?  
Well suga, I'm the boss lady  
Busy handlin' and managin'  
But oh, when I get next to you, baby  
Ain't nobody gonna be there but me and  
you, you, you, you(Can't wait to be loved by you)  
I-I can't wait, baby  
(Can't wait to be loved by you)  
I've been working so hard and so long  
(Can't wait to be loved by you)  
I need to come home, I do  
I do  
(Can't wait to be loved by you)  
I've been going through some things  
feelin' all kind of hectic in my space  
We all runnin' the same race  
as we pace, I'm...  
staring monsters in their face  
(you'd be surprised)  
Money made, bills to be paid  
like each and everybody  
But baby, I'm me  
and I need you  
Oohh  
When I get next you to you baby,  
ain't nobody gonna be there  
but me and you, you, you  
(Can't wait to be loved by you)  
I-I can't wait, baby  
(Can't wait to be loved by you)  
I've been working so hard and so long  
(Can't wait to be loved by you)  
I need your arms  
I do, I do  
(Can't wait to be loved by you)Come to me soon  
What, you wanna get off?  
You can get it off right here  
Baby, no fear at all

that old thing gone  
don't worry 'bout it no more  
Got you baby  
No, I got you right here  
Deep in the bedroom  
(I got you baby)  
Or maybe in the back of the car  
What up?  
(What up, baby?)  
Repeat When I get next you to you baby,  
ain't nobody gonna be there  
but me and you! (Can't wait to be loved by you)  
And I can't wait, baby  
(Can't wait to be loved by you)  
I'm busy holding the world on my shoulders  
(Can't wait to be loved by you)  
And baby I know you're  
out there doing  
what you need to do too.
