

The Right Stuff

Noel Gallagher's High Flying Birds

Out of the blue I heard an angel say
"Give me your soul and I'll be on my way"
You and I got the right stuff
You and I got the right stuff Are you a sleeper or a mortal soul?
Are you the devil with a heart of gold?
You and I got the right stuff
You and I got the right stuff When your heart gets shattered and your jeans get frayed
And your baby sings the morning at the end of the day
When your heart gets shattered and your jeans get frayed
And your baby sings the morning at the end of the day
You and I got the right stuff
You and I got the right stuff
You and I got the right stuff
You and I
