

Heaven's Light (feat. Marissa Jerome & WHATUPRG)

Derek Minor

Lift Him on, lift Him on, lift Him on high
Paradise, won't suffice, I need more life
Paralyzed at the sight of the Most High
Paralyzed at the sight of the Most High
Lift Him on, lift Him on, lift Him on high
Paradise, won't suffice, I need more life
Paralyzed at the sight of the Most High
Paralyzed at the sight of the Most High
How high I climb to find Heaven's light
Heaven's light, Heaven's light, Heaven's light, oh
How high I climb to find Heaven's light,
Heaven's light, Heaven's light
High above (high up, high up, high up, high up, high up)
On the way to be high above it (high above it)
Oh my, oh my, oh my God I just need to be where You are (yeah)
That's right, surfing on the cloud, I could touch the sun
How you like me now? Can't nobody bring me down, down, down, down
Thought you were focused
I'm thinking wherever I ever had
High above, I've been stressing
I've been having the right senses of Heaven
I've been feeling like I'm closer to Jesus
I can call a azure for a feature, high above
Lift Him on, lift Him on, lift Him on high
Paradise, won't suffice, I need more life
Paralyzed at the sight of the Most High
Paralyzed at the sight of the Most High
Lift Him on, lift Him on, lift Him on high
Paradise, won't suffice, I need more life
Paralyzed at the sight of the Most High
Paralyzed at the sight of the Most High
How high I climb to find Heaven's light,
Heaven's light, Heaven's light, Heaven's light, oh
How high I climb to find Heaven's light,
Heaven's light, Heaven's light
Hey son, this is mom. I'm just calling to let you know
That I love and stay focused in the things that God has called you to do.
We have to learn that no matter how high we fly
that we have to keep the main thing the thing.
The main thing: your relationship first with God.
Son, savor the moment on where you are.
Don't become an island all by yourself and you'll take the heart of God. Don't get so consumed

with things that you forget about the main thing. And the main thing is Jesus Christ.

The One that gave His life that we all could live.

And I just want you to be the best you that you can ever be.

I love you, son. I'll talk with you another time Yeah, high above it all, high above it all

Yeah, high above it all, high above it all Lift Him on, lift Him on, lift Him on high

Paradise, won't suffice, I need more life
