

# Sunlight On Your Skin

## Lil Peep & iLoveMakonnen

Ko' let's watch the rain as it's falling down  
Sunlight on your skin when I'm not around  
Shit don't feel the same when you're out of town Ko' let's watch the rain as it's falling down (as  
it's falling down)  
Sunlight on your skin when I'm not around (I'm not around)  
Shit don't feel the same when you're out of town (you're out of town)  
Ko' let's watch the rain as it's falling down (it's falling down) Where I wanna be again and again  
Alone, you and me, skin to skin  
Where I wanna be again and again  
Alone, you and me, skin to skin Why don't we talk the way we should?  
If I'm always on your mind  
What do I have to do for ya?  
To be your one and only guy  
Ko' let's watch the rain as it's falling  
down (as it's falling down, as it's falling down)  
Sunlight on your skin when I'm not around  
(when I'm not around, when I'm not around)  
Shit don't feel the same when you're outta town (you're out of town)  
Ko' let's watch the rain as it's falling down (as it's falling down, yeah) Where I wanna be again  
and again  
Alone, you and me, skin to skin I know you want me  
And you know I feel the same way  
Don't wanna leave you  
By your side together, here I stay  
Let's change the weather  
You and I don't ever have to die  
We'll be forever, bae  
Our love is the real thing  
Ko' let's watch the rain as it's falling  
down (as it's falling down, as it's falling down)  
Sunlight on your skin when I'm not around (when I'm not a-, when I'm not a-)  
Shit don't feel the same when you're out of town  
Ko' let's watch the rain as it's falling down (as it's falling)
