

Into Your Eyes

Armand Van Helden

Into Your Eyeswhen I look into your eyes,
I can love you to forever.when I look into your eyes,
I can love you to forever.when I look into your eyes,
I can love you to forever.when I look into your eyes,
I can love you to forever.when I look into your eyes,
I can love you to forever.
when I look into your eyes,
I can love you to forever.
