

Automatic

Dawn Richard

How'd I get stuck livin' like this
picture fu*k*ing perfect Stepford Wife;
a symbol to fit your design;
there used to be a heart in here;
tell me how could anything survive;
walls caved in instead (oh oh oh oh);
like a tune that i play the part; i raise my heart;
i feel so artificial when I'm lovin' you; I can't, I can't;
cause I'm not the kinda bitch that's gonna let you go and do that;

Chorus

sorry if you think,
if you think I'm automatic;
fu*kin with the wrong toy, no batteries included;
tryin' to turn me on cause you think I'm operatic;
treat me like a droid cause you think I'm automatic; damn droid
cause you think I'm automatic;
play me like a toy cause you think I'm automatic;
auto-automatic, cause you think I'm automatic,
auto-automatic cause you think I'm automatic;
you call me your prized possession;
show me off like I'm your trophy case;
show me to do what you say (oh oh);
I let you fu*k up my vision with a world thin as a coat of paint;
you had my heart all squared away (oh oh);
(boy you don't love her);
turn my heart into your worse nightmare; (shut me down)
damn with your program (switch me off)
I wanna be human, yeah;
i can not give anything to recognize my own skin;
cause I'm gone, just one foot in - [not sure of this line]
system overloaded cause I'm not able to feel that;

Chorus x 2

trade in this armor for a piece of reality;
cause under this metallic girl is a human being;
won't be your droid no more boy fu*k your technology;
I'm done now, I'm shorting out;
cause I'm not the kinda chick that's gonna let you go and do that;

Chorus x 2

Listen, I don't give a fu*k about you;
I'mma a do me; you go'n do you;
I ain't automatic so let a bitch through;
so let a bitch through,

uh uh uh uh uh uh uh uh uh uh
automatic, automatic, automatic, yeah...
