

# Make Your Own Kind of Music

## Paloma Faith

Nobody can tell ya  
There's only one song worth singin'  
They may try and sell ya  
'Cause it hangs them up to see someone like you But you've gotta make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along You're gonna be knowing  
The loneliest kind of lonely  
It may be rough goin'  
Just to do your thing's  
The hardest thing to do  
But you've gotta make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along So if you cannot take my hand  
(Take my hand)  
And if you must be goin', I will understand 'Cause you've gotta make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along  
You've gotta  
Make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along Sing with me! Sing along Sing along
