

Overcome

Tricky

Martina:

You sure you want to be with me?
I've nothing to give
Won't lie and say this loving's best
Whoa, leave us in emotional peace
Mmm, take a walk take a rest, and taste the rest
Don't wanna be on top of your list,
Monopoly improperly kissed
We overcome in sixty seconds with the strength we have together
But for now, emotional ties they stay severed
And when there's trust there'll be treats
When we funk we'll hear beats
Karmacoma (x7) You and her, walking through the suburbs
No, not exactly lovers
You're a couple, 'specially when your bodies double
Duplicate and then you wait
For the next Kuwait
Karmacoma (x6)
Jamaican aroma, karmacoma
You sure you want to be with me?
I've nothing to give
Won't lie and say this loving's best
Whoa, leave us in emotional peace
Mmm, take a walk take a rest, and taste the rest
Don't wanna be on top of your list,
Monopoly improperly kissed
We overcome in sixty seconds with the strength we have together
But for now, emotional ties they stay severed
And when there's trust there'll be treats
When we funk we'll hear beats
Karmacoma (x7)
Karmacoma (x7)
