

I'm Alive

Electric Light Orchestra

I'm alive and the world shines for me today
I'm alive, suddenly I am here today
Seems like forever (and a day)
Thought I could never (feel this way)
Is this really me? I'm alive, I'm alive I'm alive and the dawn breaks across the sky
I'm alive and the sun rises up so high
Lost in another world (far away)
Never another word (till today)
But what can I say? I'm alive, I'm alive, I'm alive Suddenly came the dawn from the
night Suddenly I was born into light
How can it be real? I'm alive, I'm alive, I'm alive
I'm alive and the world shines for me today
I'm alive, suddenly I am here today
Seems like forever (and a day)
Thought I could never (feel this way)
Is this really me? I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive, I'm alive
