I Could Not Ask for More

Edwin McCain

Lying here with you

Listening to the rain

Smiling just to see

The smile upon your face

These are the moments

I thank God that I'm alive

These are the moments

I'll remember all my life

I found all I've waited for

And I could not ask for more

Looking in your eyes

Seeing all I need

Everything you are

Is everything to me

These are the moments

I know heaven must exist

These are the moments

I know all I need is this

I have all I've waited for

And I could not ask for more

I could not ask for more

Than this time together

I could not ask for more

Than this time with you

Every prayer has been answered

Every dream I have's come true

And right here in this moment

Is right where I'm meant to beHere with you, here with meThese are the moments

I thank God that I'm alive

These are the moments

I'll remember all my lifeI've got all I've waited for

And I could not ask for more

I could not ask for more

Than this time together

I could not ask for more

Than this time with you

Every prayer has been answered

Every dream I have's come trueAnd right here in this moment

Is right where I'm meant to be

Here with you, here with me

I could not ask for more

Than the love you give me

'Cause it's all I've waited for And I could not ask for more And I could not ask for more
