

It's Been Awhile

Staind

And it's been awhile, since I could hold my head up high
And it's been awhile, since I first saw you
And it's been awhile, since I could stand on my own two feet again
And it's been awhile, since I could call you
And everything I can't remember
As fucked up as it all may seem
The consequences that I've rendered I stretched myself beyond my means
And it's been awhile, since I can say that I wasn't addicted
And it's been awhile, since I can say I love myself as well
And it's been awhile, since I've gone and fucked things up just like I always do
And it's been awhile, but all that shit seems to disappear when I'm with you
And everything I can't remember
As fucked up as it all may seem
The consequences that I've rendered
I've gone and fucked things up again
Why must I feel this way? Just make this go away
Just one more peaceful day
And it's been awhile, since I could look at myself straight
And it's been awhile, since I said I'm sorry
And it's been awhile, since I've seen the way the candles light your face
And it's been awhile, but I can still remember just the way you taste
And everything I can't remember
As fucked up as it all may seem to be I know it's me
I cannot blame this on my father
He did the best he could for me
And it's been awhile, since I could hold my head up high
And it's been awhile, since I said I'm sorry
