

DWAY!

Jackson Wang

Wow Bijan, you wanna bring us out here? Top down see me rollin' On the cover of a Rolling Stone

Nothing to something

And the money never folding, no
Picture me rollin', picture me rollin'
Picture me rollin' like a rollin' stone

Your body, my body, let's rock and roll Baba said he was a rolling stone (DWAY!)

Now they see me I'm draped in stones (DWAY!)

They gon' praise me even when I'm gone

Can't teach me nothing, did it on my own, yeah yeah

Speed it up, no need to waste no time

Biggest watch you ever seen in your life

Bag it up, baguettes on my neck

Gotta put some respect on the check

She don't want secrets

She don't want me, yeah

Her friend a freak yeah

She sleep over weekends, yeah yeah

Top down see me rollin'

On the cover of a Rolling Stone

Nothing to something

And the money never folding, no
Picture me rollin', picture me rollin'
Picture me rollin' like a rollin' stone

Your body my body, let's rock and roll Mick Jagger, Mick Jagger, way I show out

Keith Richards, no way, never sold out

Fast lane, fast life, never slow down

If you didn't know before, bet you know now

Baby you was made for the limelight

I'ma turn yo ass to a star

Girl I know you waiting 'til the time's right

We could go so far

Top down see me rollin'

On the cover of a Rolling Stone

Nothing to something

And the money never folding, no
Picture me rollin', picture me rollin'
Picture me rollin' like a rollin' stone

Your body my body, let's rock and roll
